

seed story

Tune-Bingo

There was a child who wanted to write
But didn't know where to start.

Begin with a seed! Begin with a seed!

Begin with a seed and a story will start growing!

A very small moment from your life
Will get your pencil moving.

Begin with a seed! Begin with a seed!

Begin with a seed and a story will start growing!

Grow your story with some details
Like who, what, where, and when.

Begin with a seed! Begin with a seed!

Begin with a seed and a story will start growing!
